

Dear Flying Dutchman Sailors,

In close cooperation with the Dutch Flying Dutchman Class Organization, the Vintage Yachting Games Organization can offer you an easy route to the World Championship in New Zealand.

The Dutch teams have always a very good deal in transporting their yachts to overseas venue's. This is also true for the Worlds in New Zealand. The deals can be good because of a close link between the class and a world wide shipping line as well as result of the mainport function for Europe of the Rotterdam harbor.

Also this year foreign countries can make use as well of this deal.

This will give you a very interesting route for the end of the 2008 season:

First go to the Vintage Yachting Games (20-27 SEP) in Medemblik and leave your FD in the Netherlands

Then you can sail the Conrad Gulcher Memorial regatta (11-12 OCT) in Loosdrecht After that, your FD will be packed in a container and shipped for New Zealand.

Finally, you sail the Worlds, and after that, your FD is shipped back.

Flying Dutchman from outside Europe can ship their boat easy to the Netherlands.

For more information, cost and reservation, please contact the Chairman of the Dutch FD class organization:

Harold Wijgers

voorzitter@sailfd.com

And please enter for the Vintage Yachting Games ASAP!

Sincerely,

Rudy den Outer
